

# **ALL VISITORS MUST WEAR FACE COVERINGS**

Per Order of the Napa County Health Officer, No. 21-02, all persons entering these premises must wear a face covering at all times.

The requirement applies to all persons regardless of vaccination status.

The only exceptions to this requirement are:

- when working in a closed room or office;
- when actively performing an activity that cannot be done while wearing a face covering, such as actively eating or drinking; or
- as specifically exempted from use of face coverings under the guidance of the California Department of Public Health, such as to communicate with someone who is hearing impaired or where a face covering poses a safety risk.

“Face covering” means an item that is well-fitted to an individual and covers the nose and mouth, especially while talking.

“Face covering” *does not include* a scarf, ski mask, balaclava, bandana, turtleneck, collar, single layer of fabric, or any mask that has an unfiltered one-way exhaust valve.

This notice shall be posted at the entrances of the premises.
